MR. G. NILAKANTAN (*Nominated*) : What is the cause of the difference in the yield of salt in Puthallom and old allom?

MR. C. O. MADHAVAN (*Excise Commissioner*) : I submit, Sir, that this does not arise as a supplementary question as the question relates only to Sri Sankara Allom and Puthallom.

Nagercoil Distillery.

162. * MR. G. NILAKANTAN (*Nominated*) : Will the Government be pleased to state the amount spent on repairs to the continuous still in the Nagercoil Distillery during the past five years?

MR C. O. MADHAVAN (*Excise Commissioner*) : A *statement containing the required information is laid on the table.

MR. G. NILAKANTAN (*Nominated*) : May I know why in 1108 the expenditure rose up to Rs. 1377?

MR. C. O. MADHAVAN (*Excise Commissioner*) : Some additional repairs had to be made in that year and they were more costly than the repairs of previous years.

MR. G. NILAKANTAN (*Nominated*) : May I know the nature of the repairs?

MR. C. O. MADHAVAN (*Excise Commissioner*) : Details are not available. The Assistant Excise Commissioner reports that it was partly due to the adjustment for the work done in 1105 and partly due to the work undertaken in that year itself.

MR. G. NILAKANTAN (*Nominated*) : May I know whether this extra expenditure is due to the fact that the still is an old one?

MR. C. O. MADHAVAN (*Excise Commissioner*) : It is a fact that it is an old still.
